

Hello I am Matt from Matt Bradbury Sports working in schools as a Sports Coach and you can see my work on my social media by finding me on Facebook or via my website www.mattbradburysports.com

I represent Notts and Arnold Cricket Club who are based at the Goosedale Sports Centre, Bestwood Village, Nottingham.

Raising the profile of cricket for young people that may never have played it before is important. It is key for them to learn and advance their fundamental skills of catching, throwing and striking the ball.

We would like to offer you a great chance to come up and see us at Goosedale to showcase what our cricket club can offer young people that may be interested in trying out their newly found skill at the local club.

Notts and Arnold Cricket Club is providing a special offer for Abbey Gates Primary School families and staff members.

** The opportunity of a FREE CRICKET SESSION and a FREE ADULT DRINK from the bar at our Friday night training sessions. This offer is available for all children and adults at Abbey Gates. To take advantage of this all you need to do is bring and show this flyer or attachment to Mary at the registration desk in the clubhouse and then provide details of your child and class teachers name **.
